

APPLIANCE EARLY REPLACEMENT REBATE FORM

Thank you for participating in the Home Energy Checkup program. Please review these requirements before completing this application.

To be eligible for a rebate:

- You must purchase your new appliance within six (6) months and submit this application form within seven (7) months of completing your PNM Home Energy Checkup.
- The new appliance must meet the specifications and requirements listed below, including the age requirement for the appliance being replaced, where applicable.
- You must provide proof of purchase for the new equipment in the form of an invoice or receipt that includes the manufacturer name, date of purchase, price of unit and model number (shipping/delivery slips not accepted).
- You must provide photo(s) of the appliance being replaced, including the model and serial number if available.
- The appliances must be installed at an address served by PNM.

Other items to note:

- There is a limit of one (1) rebate per appliance type per PNM residential customer account for the duration of the program.
- By participating in this program, you agree to and acknowledge the Terms and Conditions, which can be viewed at pnm.com/checkup.
- PNM or its contractor reserves the right to verify installations on-site.
- Please allow 6–8 weeks to process your application. Processing may take longer if information is incomplete or inaccurate. Once approved, rebate checks are delivered via USPS.
- You may be eligible for additional rebates on the purchase of your new ENERGY STAR® certified appliance. Visit checkwithpnm.com for more information.
